About the training:

Training sessions will enable teachers and educators to:

- Increase their understanding of the global dimension and how it relates to SEAL.
- Develop their confidence in the delivery of cross-curricular and skills based learning
- Review and trial materials from this innovative national pilot project

What previous participants have said:

The last three training sessions attended by 57 teachers and advisers were scored an average of 8.85/10 for the appropriateness of the session, and 8.9/10 for delivery and content.

"Really enjoyed; delivery lively and engaging as was course content - welcome addition to SEAL for schools."

"Helped me to see someone else modelling how to deliver a session – now I can develop my own materials and I have a bank of ideas to call upon."

"Thank you for excellent delivery, presentation and clear explanations."
